

PURCHASING

The function of purchasing is to serve the educational program by providing the necessary supplies, equipment, and services.

The board declares its intention to purchase competitively without prejudice and to seek maximum educational value for every dollar expended. The board will abide by the letter and the spirit of all laws and regulations relating to purchases by the school district and the control of its finances and property. All contracts in excess of \$150,000.00 must be approved by the board in order to be binding on the school district.

Within the framework of applicable laws and regulations, purchases and use of materials and manpower will be made in accordance with good business practices with the primary purpose of serving the instructional program.

The superintendent will serve as the purchasing agent. He/she will develop and administer the purchasing program for the schools with the assistance of the business manager, within the legal requirements and the adopted school budget.

School purchases will be made only on official purchase orders approved for issuance by the appropriate unit head and signed by the superintendent, with such exceptions as may be made by the latter for emergency purchases and those made with local purchase orders, which are approved by the budget authority.
