

EMERGENCY SCHOOL CLOSINGS AND CANCELLATIONS

The superintendent may close the district schools or dismiss them early when hazardous weather or other emergencies threaten the health or safety of students and personnel. The superintendent may delegate this authority to another staff member in the event of his/her absence.

Schools will not be closed merely to avoid inconvenience. However, the superintendent may excuse all students from attending school, delay the opening hour, or dismiss students early. The superintendent also has the responsibility to see that administrative, supervisory, and operational activity is continued to the extent possible. Therefore, if conditions affect only a single school, only that school will be closed.

In making the decision to close schools, the superintendent will consider many factors, including the following principal ones that relate to the safety and health of children:

1. weather conditions, both existing and predicted;
2. driving, traffic and parking conditions affecting public and private transportation facilities;
3. actual occurrence or imminent possibility of any emergency condition that would make the operation of schools difficult or dangerous; or
4. inability of teaching personnel to report for duty, which might result in inadequate supervision of students;

The superintendent will weigh these factors and take action to close the schools only after consultation with traffic and weather authorities and local principals.

Students, parents and staff will be informed early in each school year of the procedures that will be used to notify them in case of emergency closing. When schools are closed for emergency reasons, staff members will comply with board policy in reporting for work.
