

INSURANCE PROGRAM/ RISK MANAGEMENT

The board has the responsibility to maintain an adequate and comprehensive insurance program to protect the property and equipment under its control and to protect individuals when discharging responsibilities for the school district. The board will also authorize and participate in an insurance program for staff members and students.

The responsibility for overseeing the district's total insurance program will be delegated to the superintendent and business manager. The superintendent and business manager will prepare for review and approval by the board, specifications for insurance coverage of various types so that the insurance may be placed by competitive bid. Any modification of these specifications, which may be considered appropriate or necessary will be brought before the board for its consideration and action.
