SUPERVISION OF CONSTRUCTION

The Board will appoint a construction superintendent for new construction projects. The construction superintendent will be a competent person who may or may not be otherwise employed by the district. His primary responsibilities will be to continually inspect the construction to be certain that the interests of the public are protected and that the contractor complies strictly with the approved plans and specifications. The building superintendent will report regularly to the Board, to keep it informed of construction progress.

The contractor will retain supervision of the actual construction and the workers whom he has employed to complete the actual building of the structure.
