

Welcome Back!

We hope this information finds you well-rested, relaxed, and ready to launch another engaging school year!

In order to prepare and plan for the return of students, your principals and district staff have planned a week of learning opportunities and classroom time for you. Please refer to your school's schedule below for information about when and where these activities will take place. There is further information about materials to bring to some sessions on the last page.

All Staff refers to Custodial, Food Service, Instructional, and Secretarial staff.

If you have any questions, please call your building principal.
